- The surgery reimbursement schedule above includes ALL costs associated with the surgery, including: office call, anesthesia, pre and post care, and pain medicine given at the time of surgery.

- Indiana requires that all animals be current on their rabies vaccine, and I accept proof of vaccinations from other clinics or veterinarians. Vet Initial (optional): __________

- I recognize that Spay-Neuter Assistance Program (SNAP) clients are on limited-incomes and require no other services (e.g. heartworm or feline leukemia checks, kennel cough vaccinations, boarding charges, antibiotics, stool check, de-worming, pre-surgery blood work, etc.). If I offer these services, I will communicate that they are optional and that the client is financially responsible for them.

The only vaccine required by Indiana law is the rabies vaccine, and the client is financially responsible for this. It is also the client’s responsibility to ensure their pet(s) is free of fleas and ticks. If they are not, the financial responsibility for a flea treatment falls on the client. You are under no obligation to perform a surgery in a situation where you feel our contract guidelines do not agree with your office policies.
I would like to participate in the SNAP program and agree that my clinic will not charge the client for any services related to the surgery.  Vet Initial: __________

I would like to participate in the Pet Friendly Plate Program (PFPP), providing surgeries to 501(c)(3) animal welfare organizations for dogs and cats in their care.  Vet Initial: __________

I would like to participate in the Community Cat program, providing surgeries to feral and free-roaming cats.  Vet Initial: __________

The Reimbursement Process: Mail the fully completed certificates to Pet Friendly Services. Please be sure to keep a copy of these certificates for your records. If they are lost in the mail, we will need this information before we can process your payment. Pet Friendly Services has an online reimbursement portal. I realize that Pet Friendly Services may reimburse my practice $600 or more and is required by the IRS to have a completed W-9 form from my business before adding me to the vet network. Vet Initial (required): __________

The nonprofit rules dictate that Pet Friendly Services file a 1099 each year for any organization to which we pay at least $600 for performing services on our behalf. In order to properly submit this information to the IRS and our vendors, it is necessary for us to request your information on a W-9 so that we will have it in the event it becomes necessary to issue you a 1099 at the end of the year. This information is treated with the utmost confidentiality and is not shared with anyone within or outside of the organization that does not have a legitimate need to know.
