

2019 Annual Report

Spay-Neuter Services of Indiana (SNSI) is a statewide financial assistance organization whose mission is to eliminate the euthanasia of healthy and treatable cats and dogs. We do this by spaying and neutering to humanely reduce the number of animals. Our work helps animals, pet owner, shelters, and rescue groups.

Funding Spay/Neuter Surgeries is Job One!

- 🐾 **11,139 surgeries**
- 🐾 **\$657,701 Total Surgery Expenditure**
- 🐾 **\$59 Average Surgery Cost**
- 🐾 **78,904 Unwanted Animal Births Prevented**

Saving Lives & Money

Did you know spay/neuter surgeries are amazingly cost effective compared to sheltering? Our average surgery cost is just \$59, compared to sheltering animals at a cost of \$176 to \$450 per animal. Spaying and neutering relieves the burden on shelters and helps avoid full-capacity situations and needless euthanasia of wonderful animals.

Funding

Spay-Neuter Services funds lifesaving surgeries across Indiana thanks to the #4 selling Pet Friendly specialty license plate! Several grants allowed us to focus on select areas of the state. Grant funding from the Nina Mason Pulliam allowed SNSI to fund 1,000 surgeries in Marion County. The Kenneth A Scott Charitable Foundation provided funding for 600 additional surgeries in Elkhart and St. Joseph Counties. The Callum Foundation funded 180

surgeries in Orange County. Funding from the ASPCA provided spay/neuter surgeries for animals adopted at our annual event at Tom Wood Subaru in Indianapolis.

The Haunted Hair Ball attracted supporters and raised much-need funding for Spay-Neuter Services. Helping animals and having a ball all at the same time!

The annual Nut Sale also raised much-needed funds for SNSI.

Education & Networking

The Indiana Animal Welfare Conference brought our state's rescue groups, shelters, community cat organizations, and veterinary staff together for two days of learning and networking. By sharing information and working together, we are saving more lives.

Programs

To enhance the efficiency of our programs, SNSI invested to automate our systems. Automated features include allowing rescue groups and shelters to apply online to receive free spay/neuter surgery certificates. Spay/Neuter Assistance Program clients can apply online, upload their proof of income qualification, and make their copay. Veterinarians can now use their own portal to quickly bill SNSI for the surgeries they perform. The new, automated system is convenient for our clients, allows SNSI to issue spay/neuter certificates more quickly.

Information collected from shelters, including intake, live release rates, service areas and contact information is now uploaded to our online database. This data will allow SNSI to best serve shelters in need and at-risk animals.

Financials

Revenue: \$991,016

- Contributions & Grants
- Program Service Revenue
- Investment Income
- Other Revenue

Expenses: 906,642

- Programs
- Fundraising
- Management & General
- Other Expenses

Fundraising expenses include the cost to purchase nuts for SNSI's annual Nut Sale. Generous funding from the Nina Mason Pulliam Charitable Trust, The Kenneth A. Scott Charitable Trust, the Callum Foundation & the ASPCA contributed to our success.

Awards & Recognition

Spay-Neuter Services of Indiana was awarded the Platinum Seal of Transparency from GuideStar and was ranked a top-rated nonprofit by Great Nonprofits. Rankings are based on community and client feedback.

Thank You!

Thank you for helping us help them! This year, we celebrated 150,000 surgeries! SNSI has built a statewide network of rescue groups, shelters, veterinarians and supporters.

We cannot do this alone. It is your support that makes great things possible for Indiana's dogs and cats!
